WELCOME FROM THE STAFF

Dear Parents:

Welcome to the 2018-2019 school year. As the new school year begins, let us look at some things you need to do to help make it a successful one:

1. Spend time alone with God daily. The quality of your spiritual life filters down to your children and the school.
2. Spend time with your children in family devotion and prayer. The time families spend together, to a large degree, determines the future of their children.
3. "More is caught than is taught." Let your children see Christ in you at home, at school, and at church.

Reasonable allowances will be made for absences, but the only legitimate excuses will be illness of student, or death in the immediate family. Upon returning to school, the student is to bring a note to the teacher from a parent or guardian and/or doctor stating the reason for the absence; and all school work missed must be made up. Students will not be allowed in school without the note. Absences for (25% of 180) is liable to fail the school year.

20% of the quarter will be referred to the School Board.

3. **Vacation:** The School Calendar will include the various vacation periods for the school year. Should a necessity arise for a student to be away when school is in session, parents/guardians should personally notify the student's teacher at least at least a week in advance to arrange for assignments. Failure to do so will result in a failing grade for the assignment.
4. **School Hours:** School begins at 7:50 a.m. and ends at 3:30 p.m. Students must be picked up promptly and no later than 3:30 p.m. The school doors are opened at 7:25a.m. Parents who drop off students before that time, do so at their own risk.
5. **After-School Hours:** All students should be picked up as soon as possible after dismissal time. Parents needing after-school care should make arrangements in advance. Students remaining after 3:45 p.m. without prior arrangements will be signed into Aftercare at the Aftercare rate.
6. **Friday Hours:** On Fridays, school will be dismissed at 12:00 p.m. to allow for Sabbath preparation. All students **MUST** be picked up promptly and no later than 12:15 p.m. Students who are picked up should remain in their parents' vehicles until transported away and should not be allowed to continually re-enter the school premises.

In order for children to be released to an adult not listed on the After Care Form on file, parents must inform the school in writing. The authorized adult will be

required to show a picture ID to the After Care personnel, who must record the ID information on the After Care document.

If students are picked up late (after 6:00 Monday-Thursday, after 5:00 –Friday) there will be an additional charge of \$1.00 for each additional minute after the scheduled Aftercare time. This must be paid directly to the Aftercare personnel on duty.

PARENT-SCHOOL RELATIONSHIP

The success of the school depends in a large measure upon the good faith and wholehearted cooperation between parents and the school's staff.

Our school cannot be successful in teaching its students basic, successful principles of life without the support and cooperation of the home and the church. Consequently, our school believes that there should be a positive working relationship between parents, school staff and pastors for the welfare and continued growth of the students. Letters or phone calls from the school may indicate a desire to counsel together to ensure the total growth & development of each student. Parents sometimes have questions concerning the school's programs for their children. Inquires about such matters are welcomed and encouraged.

HOME AND SCHOOL ASSOCIATION

All parents of school children are members of the Home and School Association. The annual membership fees per family is \$25. Parents are urged to assist in the programs of the school and the association, and are encouraged to enhance relations between the home and the school. The association directly benefits the parents and students through its educational programs and fundraising activities. In addition to general meetings, the Home and School Association sponsors programs on parenting and school-

community projects. Your attendance at scheduled meetings and other activities is strongly recommended

FIREDRILL PROCEDURE

Monthly Fire Drills are required by State Law during the school year. These drills are to be taken seriously by students. When the alarm is sounded, students should immediately stop whatever they are doing and proceed to the designated area quickly and quietly. Students and teachers are to remain outside the building until a signal is given to return. Failure to comply with fire drill procedure will result in disciplinary action.

TORNADO DRILL PROCEDURE

By Florida State Law, FCAS is required to have tornado drills during the school year. These drills are to be taken seriously at all times. Teachers will direct their students to the designated areas or through the designated procedure.

SEVERE WEATHER

Please note that FCAS will follow the directives given to Orange County Public Schools in cases of severe weather conditions.

DISCIPLINARY PROCEDURES

“The object of discipline is the training of the child for self-government. He should be taught self-reliance and self-control. DRESS

It is our goal that students develop an appreciation for Christian dress standards and grooming habits. This is particularly necessary in today's world where dress standards are extremely lax. Our dress standards will be effective only as parents and students work together. Students are expected to observe the following standards in their dress:

Uniform is the only appropriate dress for school.

Students are not permitted at anytime to wear only a part of the uniform on the street, to classes, or in any public place. Students who do not wear the correct uniform will not be allowed to attend classes. Parents will be required to pick up children at the school office. NETWORK AND INTERNET ACCEPTABLE USE POLICY

FCAS is endeavoring to ensure that all students have access to computers for classes and/or research. To take advantage of this educational opportunity, this agreement must be signed by the student and the parent or guardian.

At FCAS, student access to, and use of the network will be under teacher or staff direction and will be monitored. Access is a privilege not a right. Access entails responsibility.

In addition, FCAS offers Internet access for student use. Use of the Internet has been established for a limited educational purpose. The term “educational purpose” includes classroom activities and limited light-quality self-discovery activities. The Internet access has not been established as a public access service or public forum. FCAS has the right to place reasonable restrictions on the material the student accesses or posts through the system. All students are expected to follow the rules as set forth below.

Grades 3-5

1. I will not give personal information such as my address, telephone number, parents’ work address or telephone number or the name and location of my school without my teacher’s permission.

2. I will tell my teacher right away if I come across any information that makes me feel uncomfortable.
3. I will never agree to get together with someone I “meet” online.
4. I will never send a person my picture or anything else without first checking with my teacher and parents.
5. I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. If I do I will tell my teacher and parents right away.
6. I will not give any password to anyone (even my best friend) except my parents or teacher.
7. I will be a good citizen and not do anything that hurts other people or is against the law.
8. I will only be online when my teacher has given me permission.
9. I will always log off when I leave the computer.

Grades 6-8

1. The Internet may only be accessed with the direct knowledge of a teacher and when an adult is present in the room.
2. Students will not post personal contact information about themselves or others on the Internet.

3. Students must never agree to meet with someone they met online without their parent's approval.
4. Students will promptly report to their teacher or any school employee any message they receive which they feel is inappropriate or which makes them feel uncomfortable.
5. Students may not use FCAS' Internet connection for any commercial purpose. This means students may not offer, provide or purchase products or services through FCAS' Internet connection.
6. Students will not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses by any other means. These actions are illegal.
7. Students are expected to immediately notify a teacher or school employee if they have identified a possible security problem. Students will not show or identify the problems to other users.
8. Students will not use the FCASs Internet connection to access or distribute material that is profane, obscene, lewd, vulgar, rude, inflammatory, threatening, and disrespectful, that advocates illegal acts, or that advocates violence or discrimination towards other people.
9. If a student mistakenly accesses inappropriate information, a teacher or school employee should be notified immediately. This will protect the student from a claim that they have intentionally violated this policy.
10. Parents should instruct their child if they feel there is additional material they feel inappropriate for that child to access. FCAS' fully expects each student to follow their parents' instructions in this matter.
11. Students will not harass another person through the Internet or network. Harassment is still persistently acting in a manner that distress or annoys another person. If a student is told by a parent to stop sending him/her messages, the student must stop.
12. Students will not knowingly or recklessly post a message that was sent to them privately without permission of the person who originally sent the message.
13. Students must not plagiarize works found on the internet. Plagiarism is taking the ideas or writings of others and presenting them as student work.
14. Students will always respect the rights of copyright owners. Copyright infringement occurs when work is protected by a copyright and is inappropriately reproduced. If a student is unsure whether or not any work can be copied or used, he or she should request permission from the copyright owner. Copyright law can be very confusing. If students have questions, they should ask a teacher.
15. Use of non-educational chat rooms and online game usage are prohibited.
16. Loading or playing games on either a work station hard drive or on the network file server is considered vandalism and is prohibited.

17. No student will attempt to change the desktop display of any work station.
18. All students are required to log off the network when they have completed their task. No student may begin work on a station if someone is already logged in.

FCAS makes no warranties of any kind for the network service it provides. FCAS will not be responsible for any damages suffered including loss of data. FCAS will not be responsible for the accuracy or quality of information obtained through the network connection.

HEALTH

LUNCH: We believe that healthy bodies lead to healthy minds, and healthy minds make it easier to keep in touch with Jesus. A healthy, vegetarian diet is encouraged at home and school. For students who need to bring their lunches, please ensure lunches are nutritious and are ready to eat as microwave warm-up will be available. **Do not include, candies or drinks with caffeine. Drinks must not be sent in glass bottles.** (This also includes school activities.) Parents who fail to provide lunch for their children 2 or more times will receive a written **NOTICE** prior to report to children services.

MEDICATIONS: Teachers are **only** allowed to administer medications to students on the signed authorization of parents. Medical Authorization forms may be obtained at the school office. All medication given must be logged.

STUDENT ILLNESS: When a student complains of not feeling well or has a

temperature of 100° F. or more, school personnel will call the student's parent/guardian, or the designated person, or doctor, if the parent/guardian cannot be reached.

CURRICULUM

Our curriculum is aligned with the Common Core Curriculum State Standards and the standards developed by the North American Division of Seventh-day Adventists Education Department.

RELIGIOUS INSTRUCTION: As a Seventh-day Adventist School, our fundamental objective is to uplift Christ and His principles of living. Bible instruction is a prominent part of the daily schedule. All classes are taught from the Christ-centered viewpoint. Each school day begins and ends with worship/prayer.

ACADEMIC INSTRUCTION: We place a strong emphasis on Reading and Language Skills, Mathematics, Social Studies, Science, Computer Literacy, Music, Spanish and Physical Education.

FIELD TRIPS: Field trips are invaluable teaching aids. They provide direct experiences for learning and are extensions of what is being taught in the classrooms. A signed permission slip with the fee is to be turned in by deadline. Failure to comply will prevent your child/children from going on the trip.

Any change will be indicated on field trip Form. Students who have been suspended will not be allowed to attend a Field Trip in the quarter in which they were suspended.

A FINAL WORD

This handbook is designed to give you a better understanding of the philosophy, operations, and policies of this school. It may not answer all your questions. However, when a question arises, please feel free to speak with the teachers.

Parents are very important members of the FCAS family. As such, we encourage you to participate fully in helping to make your child's school experience rich and meaningful.
